Description of Grants	Budget Estimate 2026/2027	Budget Forecast 2025/2026	Budget Estimate 2025/2026
AgriInsurance Program - payments for insurance claims	45,252,900	113,474,500	47,574,500
AgriInsurance Program - A Federal / Provincial/ Producer cost shared program which provides insurance coverage for losses to insured crops and livestock caused by natural hazards. All provinces operate under a standard set of federal regulations and actuarial requirements with flexibility to develop specific plans to meet needs of province. Insurance premiums are cost shared approximately 1/3, 1/3, 1/3 and are paid into the AgriInsurance fund. Only insurance claims, interest, and reinsurance expense can be paid from the fund.			
AgriStability Program - payments for claims	4,913,000	4,913,000	4,913,000
AgriStability Program: Cost shared 60% Federal / 40% Provincial. A margin based program which allows producers to protect their farm operations against large declines in farm income caused by circumstances such as low prices, rising input costs, and production losses.			
Maritime Livestock Price Insurance Pilot Program - payments for insurance claims	148,000	54,000	54,000
Maritime Livestock Price Insurance Pilot Program - A risk management tool pilot for beef producers to facilitate growth of the sector in PEI. Allows producers to purchase price protection on beef cattle in the form of an insurance policy, in the event of unexpected market declines. Producers pay 100% of the premiums, while federal and provincial government costs shares (60% / 40%) administration.
